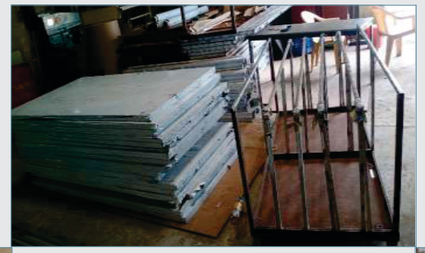
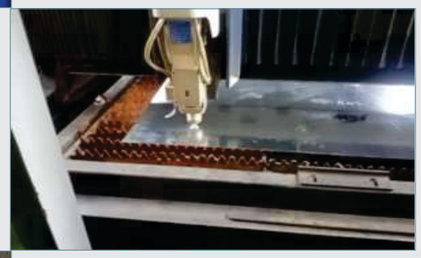
Our Door Manufacturing Collaboration...





- From being a mere Door dealer, we have now entered into agreement with OEM's having High End Sheet Metal Fabrication setup to manufacture Best in Class Steel Fire and General Doors as per design.
- Robust Fire Door is tested as per IS 3614: 2021 at CBRI & Spectro Eurofin Labs
- We have invested in high end machines like Honeycomb expander, Hot Press machine most required for good quality doors.
- At present capacity of manufacturing around 40+ doors a day we plan to expand the capacity to cater larger requirements.
- With OEM rate agreements with leading hardware suppliers like Dormakaba, Geze, Assa Abloy, Dorset we ensure sufficient stock for smooth dispatches.
- With timely dispatches and good quality we expect to be most preferred Steel Door supplier to our clients
